MASSAGE THERAPY CONSENT

I understand that the massage I receive is provided for the basic purpose of relieving muscular tension, relieving pain, and facilitating range of motion and relaxation. If I experience any pain or discomfort during the session, I will immediately inform the therapist so that the pressure and/or strokes may be adjusted to my level of comfort. I further understand that massage should not be construed as a substitute for medical examination, diagnosis, or treatment. I understand that massage therapists are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such.

Massage should not be performed under certain medical conditions. As such, I affirm that I have stated all my known medical conditions, and answered all questions honestly. I agree to keep the massage therapist updated as to any changes in my medical profile during the session and understand that there shall be no liability on the massage therapist's part should I fail to do so. I understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session. I also understand that the massage therapist reserves the right to refuse to perform massage on anyone whom he/she deems to have a condition for which massage is contraindicated.

I have read the above noted consent and I have had the opportunity to question the contents herein. By signing this form, I confirm my consent to treatment. I understand that at any time I may rescind my consent and massage therapy services will cease.
